1911

THE GENERAL REFORM ASSOCIATION FOR ONTARIO.

TORONTO, October 31st, 1911.

The Seventh Annual Meeting of The General Reform Association for Ontario was held this day in the Temple Building, corner Bay and Richmond Streets, Toronto. The meeting was called to order at 10 a.m., by the President, H. M. Mowat, K. C. Among those present were :

REGRETS:

PRESIDENT'S ADDRESS

1911

The annual meeting was not called at the usual time in September because of the General Election for the Dominion being then proceeding.

The election was a reverse for our party; and the result was as unexpected by our opponents as ourselves. It is the general opinion that in no previous election did our friends work with more spirit and confidence, and we were encouraged by the assistance volunteered by many Conservatives who believed in Reciprocity. Our public meetings were thronged, and we felt that we had quite the best of the argument. But there was an uncalculated silent opposition among our friends which lost us many seats. The Liberal party has received another intimation that having logic or reason is not sufficient to win an election, and those who think it important or advantageous to succeed will want to avoid any policy which can be misconstrued as entailing an alliance with another nation. We have too many timid people yet for such a course.

If it is desirable to analyse the result from a political standpoint the chief cause for loss of support will be found in the want of appreciation of the class whose interests are injured by existing conditions, and to whom we especially appealed. The smaller farmers had, under Liberal government, been given good prices, considerable prosperity and great contentment. The people were benefitting by the British Preference, and by increased railway accommodation and expenditure. They were somewhat bewildered by the suddenness with which the great issue came before them. They heard arguments and figures showing larger markets and better prices, but they also had, on the other hand, set before them by our opponents definite figures showing losses on the products they had to sell. The Conservative figures were romantic, but they were cleverly published and widely and fluently uttered. The uninstructed man was befooled by them, and many, before the campaign closed, took just enough alarm to resolve to vote against any change of international commercial policy.

Now, and after the event, it is easy to see that instead of supposing that our advantageous proposition had only to be offered to be readily accepted, we might better have waited until

a convinced farming community had asked for it. The Farmers' Deputation had asked for it, but we found that innumerable farmers of Ontario had either never heard of that Deputation until this campaign was commenced, or had thought its efforts were in the interest of Western farmers only.

We were defeated, therefore, mainly by two classes of electors: first, those who were afraid Reciprocity might make them poorer; and secondly, those who would rather remain poorer than make any bargain of any kind with the other country. We have plenty of argument to show that there is error in these ideas. Yet we staked and lost, and we must respect the verdict. Free traders can now urge for reduction of tariffs by independent action by the Government of each country.

A movement to further increase the British Preference by reduction of duties on goods manufactured from imported material would make a fine fight. It would be better from an economic standpoint to buy out or compensate certain industries not using native grown material rather than tax the people generally to keep them going. The best way to make British subjects realize the importance of the British Empire and the advantage of living in it, is to allow unrestricted trade between the Mother Country and the Dominion.

The manufacturers of Ontario, with few exceptions, opposed us, and unduly influenced their men. Their employees forgot that the ballot is secret, and will have to continue to suffer the evils of combines in household supplies. They are now perplexed and envious of the triumph of those from whom they need expect little assistance or support in their endeavours for betterment.

But a gratifying result of the election is the buoyant and confident attitude of our active workers. They have taken defeat with undaunted spirit. The personnel of the new Ministry does not dismay, and the shilly-shallying on important matters which has been a feature of our opponents' conduct will bring inevitable mortification. We will soon lead again.

Our Government made a sturdy effort to relieve and, therefore, to help the Mother Country in the matter of naval defence and protection of trade routes. There is evidence that this work will be postponed by the Conservative and "Nationalist" Government, and frittered away on one pretext or another. It will be our duty to try to keep public opinion sound on this question, and struggle to maintain the principle inaugurated by our party.

A feeling of profound admiration and fealty goes out to our leader, "The Chief," who for 40 years has given his best to the party and the country, and we rejoice that he is to remain chief of His Majesty's Loyal Opposition.

There has been a Liberal prime minister, either at Ottawa or Toronto, ever since Confederation in 1867, and the Liberal party is

not going to pine if for a few years they may serve the country wholly in opposition.

We are now in another struggle in the Provincial arena. Our candidates and supporters are relying upon local enthusiasm and effort rather than placing too much dependence on central organization, and in the end nothing but good must ensue from such a policy. Our leading men who can afford, it have often contributed generously towards printing, literature and salaries of organizers. But independent local effort is the ideal method, and it is hoped that the temptation to look outside the riding for assistance will lessen and give way.

In the opinion of many, the time has come when attention must be given to the views of those Liberals who believe that the distinct pledges of party leaders made in 1894 and 1897, regarding the limitation of liquor selling, should no longer be ignored. The party has got no credit for failure to keep these pledges. The support of a sincere class of men was either sought or held because of these pledges; and so long as we who are the successors of the Liberal party of those days decline to carry out its will and testament, our executorship will be called to account. The pledges were not fettered by detail, and a just manner of carrying out their spirit would be to amend the Liquor License Act by enacting that after 1913 no license be issued to sell intoxicating liquor in bar-rooms in Ontario. In cities and those municipalities which cherish the right to regulate their own life and conduct let shops and dispensaries remain, unless abolished by Local Option vote. As a majority of voters has more than once voted for abolition in the Province there would be no injustice by reason of want of warning or notice.

If this is the right thing to do, then it follows that it must be politically expedient.

H. M. MOWAT,

President

Audited and found correct.

Auditor.

For seven years in succession it has been a pleasure to me to express a word of appreciation to Mr. C. M. Bowman, M.P.P., Provincial Whip, for the timely service he has rendered the Association by collecting the Annual Fees from our members in the Legislative Assembly.

I desire also to again thank Mr. F. F. Pardee, M.P., Dominion Whip, for similar service in regard to the fees from our members in the Senate and the House of Commons.

As shown above there is a moderate deficit on the last year's operations. Although we have a large membership throughout the Province, we have not found it possible to collect sufficient in fees to cover the ordinary expenses of the General Office which is conducted for the general requirements of the Liberal party. The membership collections have had to be supplemented each year by subscriptions to meet the necessary expenses.

The details as to the expenditure are set forth in the General Secretary's Statement.

Respectfully submitted,

P. C. LARKIN,

Treasurer.

DOMINION GENERAL ELECTION

The results of the General Election of September 21st, 1911, are shown in the returns at the end of this report. Of the 86 seats in Ontario, the Liberals secured 13 and the Conservatives 73, a majority of 60 for the Conservative party in this Province.

This unprecedented reverse affords the Liberal party an opportunity to do some political stock-taking regarding prevailing conditions.

Our changed fortunes will demand a more severe test of party loyalty. It goes without saying that party funds for necessary organization cannot be collected so readily when a party is in opposition, and on each riding association therefore must rest a greater measure of responsibility for adequate support of the Liberal cause.

The recent campaign afforded ample scope for party service, and it would hardly be graceful not to make a brief reference of sincere appreciation at least to the staunch Liberals who apart from their own Riding freely sacrificed their time and personal interests in their responses to the call of the General Office. Our great Chieftain, Sir Wilfrid Laurier, made a supreme effort to assist the Liberals of Ontario. Amongst others were: Hon. G. P. Graham, Hon. W. L. Mackenzie King, Sir Allen Aylesworth, Hon. Sydney Fisher, Hon. Charles Murphy, Hon. William Patterson, Hon. Rodolphe Lemieux, Hon. A. G. MacKay, Hugh Guthrie, N. W. Rowell, J. W. Curry, Robert McKay, Jr., J. E. Atkinson, Dr. J. A. Macdonald, W. N. Tilley, A. E. Dymont, John M. Godfrey, Andrew Semple, D. O. Cameron, Alex. MacGregor, J. F. Edgar, J. M. Clark, R. J. McLaughlin, G. Tower Fergusson, C. W. Kerr, Thos. Vance, John Galbraith, Jno. A. Paterson, Geo. Ritchie, W. Proudfoot, W. C. Mackay, Gordon Waldron, J. W. Bengough, J. C. Allen, W. J. O'Reilly, Jas. S. Carmichael, Major H. J. Snelgrove, W. L. Smith, James Pearson, E. Fielding, Howard Shaver, James McEwing, C. J. Mickle, Thos. McMillan, Lt. Col. A. T. Thompson, V. Stock, F. F. Pardee, F. P. Betts, Senator D. Derbyshire, F. B. Lovekin, J. S. Marshall, Jno. D. McGregor, E. C. Drury, T. H. Race, W. A. Dowler, P. W. Pearson, E. J. McIntyre, Thos. R. Stokes, Thos. Stewart, W. D. Annis, Col. R. B. Hamilton, Albert Chamberlain, J. C. Judd, W. A. McMaster, Prof. L. E. Horning, Thos. Reid, C. M. Bowman, Alex. Smith, A. H. Beaton, J. McD. Mowat, J. H. Spence.

PROVINCIAL GENERAL ELECTION

The Whitney Government has intimated that the General Election will be called for December, 1911. The General Office is in correspondence with all the ridings regarding candidates.

On Thursday, October 19th, 1911, the Hon. A. G. MacKay had a meeting of M.P.'s and Candidates at the General Office, for the discussion of suggestions which might conduce to the

betterment of the Liberal cause in Provincial affairs. A resolution also was carried expressing the confidence of the meeting in the leadership of Mr. MacKay.

ONTARIO CLUB

It is worthy of note that the Ontario Club is making progress in rebuilding premises, and ere long will undoubtedly have first-class accommodation for the steadily increasing membership.

RIDING ASSOCIATIONS

The Secretaries of Riding Associations are usually attentive to the requests from the General Office for information. There is one oversight, however, to which we desire to call attention. Many changes have taken place this year in regard to the offices of President and Secretary.

It would greatly assist if the retiring or incoming Secretary would promptly notify the General Office of the changes in President and Secretary, and the Post Office addresses, and thus ensure a correct list always for mailing and corresponding.

LIBERAL CLUBS

It is a significant fact that coincident with the late ill fortune of the Party that a number of Liberal Clubs have been established in the Province.

The requests submitted to the General Office for forms of constitution and information have been promptly supplied and it is encouraging to note the signs of a new and stirring interest which bids fair to become extensive.

THE GENERAL ASSOCIATION

Before the year ends the General Association will have completed seven years of work on its present lines. It has met the ordinary requirements of the Liberal party in its relations with the Federal and Provincial Riding Associations. Other Provinces feel the need of a General Association on similar lines, and this General Office has responded to inquiries for full information concerning its workings.

All of which is respectfully submitted.

F. G. INWOOD,
General Secretary.
